Office Note

(Repairs to the Sri Sadasivaswamy temple at Nuggihalli, Chamaroyapatna Taluk)

Reference - (Hassan Dy: Commr's Letter No 453 dated 23rd December 1904)

The Dy Commr reports that the temple of Sri Sadasivaswamy at Nuggihalli, Chamaroyapatna Taluk is a big and ancient one, ~~and~~ it is in a very dilapidated condition and ^{unless} unless it is repaired at an early date there is fear of its collapse. The villagers (devotees) have contributed a sum of Rs 566-10-8 towards ~~its repair~~ the cost of the Estimate now submitted for sanction viz Rs 1700/- The balance of the estimated cost of repairs viz Rs 1700 minus Rs 566-10-8 i.e. Rs 1133-5-4, the Dy: Commissioner recommends

✓

may be sanctioned from the State
Grant, the amount of which available

at present is only Rs 4000 and
out of this amount, a considerable sum is required for the
new temple in Chauragadapet, Bangalore City.

A large Estimate for rebuilding

the Angurli Chattram in the Shimoga

District has been received from the

Dy Commr of Shimoga and the question of funds for the said work
has been,

under the orders of the Dewan, referred

to the Comptroller

Subd for orders

Rs
1871/05.

The devotees having contributed
and actually paid up $\frac{1}{3}$ rd of the
Estimated cost, the proposal that
Govt should contribute the remainder,
seems to deserve favorable consideration.
There is not however much money
to spare from this year's State Grant
I think therefore that the Dy Commr
may be informed that the Govt will
gladly sanction an amount
equal to what has been contributed
by the devotees, viz Rs. 566-10-8,
and that the Amildar should
carefully scrutinize the Estimate
and

bring it down to the amount available,
viz Rs. 1133-5-4.

Sir,

I have the honor to state that the villagers of ~~Meggihalli~~ in the Chennarayana ~~Taluk~~ petitioned to this Office in May 1896 stating that the Sri Sadasiva Swamy temple was in a state of disrepair and requesting its repairs. An order was issued to the Amildar directing him to inspect the building and submit an Estimate for its repairs. The Amildar thereupon submitted an estimate amounting to Rs 1700/- Since the
Amount

Amount at the credit of the institution was only Rs 115-4-1 and order was issued to the effect that unless the villagers contributed at least half the amount no recommendation could be sent to Government for the repairs of the temple. The villagers thereupon represented that one half was too much for them to pay and that they would pay one-third of the estimated amount. Mr. D. Dewaraj was, then Deputy Commissioner ordered that the amount promised should be recovered and credited into the temple funds. The Amildar now reports that the amount promised by the villagers viz Rs 566-10-8 has been recovered and credited to the temple funds.

2 The temple is a big and ancient one. It is in a very dilapidated

dilapidated condition and unless it is repaired at an early date there is fear of its collapse. I beg therefore that Government will be pleased to sanction the estimate at an early date. Since the villagers have already paid the large sum of Rs 566-10-8, I beg that the remainder be sanctioned out of State Grants.
